Dear Knob Hill Students and Families,
Teacher appreciation week is coming soon and it is a Knob Hill tradition to let our amazing teachers know how VERY SPECIAL we think they are!! Your PTO has put together a suggestion list by days of the week to help you let them know how grateful we are for their hard work and dedication!

Monday, 5/6: Lei a flower on your teacher! Whether it's freshly picked or crafted with love, let's hula our way to showing appreciation.

Tuesday, 5/7: Surf's up on the appreciation coast!
Write/Make your teacher or staff member a card or note.

Wednesday, 5/8: Time to shore up the supplies! Donate a school supply or used book for your teacher's library.

Thursday, 5/9: Hang ten with your teacher's favorite color! Let's make the school brighter together.

Friday, 5/10: Ready to make a splash? Bring your teacher a gift as cool as a sea breeze!

(Please don't spend a lot of money...homemade items are always the best!!!)
